The Dy Commr of Bangalore submitted an estimate to the Plague Commr for sanction for constructing a Plague Shed at Closepet at a cost of Rs 277. He also applied for sanction to construct similar Sheds at Bidadi, Channapatna and Sathihalli.

This letter has been sent by the Plague Commr to the Secy with the remark that the construction of Sheds such as those to be referred to for the protection of towns & villages is a proper charge on Municipal and Local funds.

There are no municipalities either at Sathihalli or Bidadi. The municipalities of Closepet and Channapatna have low balances to their credit, viz Rs 214 & Rs 144 respectively. Hence the charge of Sanctioned has to be met from the L. funds, at any rate in the case of Bidadi and Sathihalli. Dft

As generally during an outbreak of plague there is a rush of people into other places, I think that poor Municipalities may fairly claim some relief. It may also be noted that the Bangalore Municipality bears its share of the plague charges at present.
